

DURHAM CITY VÉLO

Charity Christmas Ride

In aid of Treetops Children's Ward, University Hospital of North Durham

Durham City Velo Cycling Club is a local, inclusive cycling club and we are undertaking our annual charity bike ride laden with toys and gifts bound for Treetops!

We are looking for any **new** or **boxed** toys, suitable for any age up to 17 years, in order that they can be given as gifts to children and for the benefit of those on the ward during the year.

You can arrange collection of any donations via contact on www.durhamcityvelo.cc or on Facebook via www.facebook.com/durhamcityvelo/

If you would prefer to donate money, all of which will be used to buy gifts, you can do so at www.gofundme.com/2eubz8b8 .

Alternatively, contact us on 07990 538476 and we will arrange collection as soon as we can!

We hope we are able to make a difference to the many young members of our community unfortunate enough to find themselves having to spend Christmas in hospital or admitted throughout the year.

Thank you in anticipation of your kindness and support of this campaign.
